PROFILE

I am a self-taught enthusiast of software development, passionate about building software that provides equal opportunities for everyone regardless of their financial capabilities or level of expertise, thereby avoiding any sense of inferiority. My ambition is to be a significant contributor to the world's economy by providing tech-based solutions for different aspects of living, including hospitality, healthcare, and more. I also aspire to be a valuable team player who supports the growth of existing businesses.

PROFESSIONAL EXPERIENCE

Techdriod Systems, Lead Software Developer | Desktop, web and mobile responsive, ReactJS and Electron

09/2023 – present | Lagos, Nigeria

- worked on a microservice, ERP software
- Lead a team of other software developers

Pel Managers Ltd.,
